## Accept No Substitutes

Established in 2011, Vinyl Tap is a classic rock cover band based in Central Illinois. The music we cover spans a period of 50 years, from the 1960's to the early 2000's. We play a wide variety of music that helped shape our formative years, saw us through good times and bad, and provided the soundtrack to which we lived.

We love to share our passion for some of the best music ever written!
